WILLIARD

Grace and peace be unto you from God our Father, and Our Lord Jesus Christ.

There are no words to express to you the overwhelming joy we have shared here at Salem Lutheran Church over the past few months, and my thankfulness for your commitment to Our Lord. The various ministries here are booming and the deepened faith and fellowship can be easily seen. First, if you missed Vacation Bible School this year (look ahead for pictures) you missed the most exciting learning experience we have seen in many years. Many thanks are due to so many who contributed in various ways to make this a success. To those who made meals...THANK YOU. It's not easy to feed nearly 50 people each night, but you all did an exceptional job. To the teachers and helpers...we are all grateful for your faith and willingness to share that faith with others. But, most of all thanks are due to our Sunday School Superintendent Kasey Campbell, who coordinated the entire project! The adults gathered for a biblical study of the Mass, and I am confident that we have broadened our understanding of our Sunday gathering. You cannot believe the depth of conversation and learning that we experienced together in a few short nights! As we draw nearer to the regular season of Christian Education we will continue to engage these topics more deeply. Look for a schedule to come.

On August 7<sup>th</sup> our Summer Adult Class will discuss "How to address other religions" with me for a session after worship. As I have now past the halfway point in my doctoral study, and prepare to return to Boston University for class this month I thank you for your continued prayers and concern. This learning experience is quite consuming, but it has been an amazing journey. My dissertation topic has been approved, and I've moved more deeply into the writing process. On August 14<sup>th</sup> we will gather for a service of the Word, with Ken Campbell preaching. Please support him with your same prayers and love as he continues on this educational journey of theological growth and preaching.

Learning will expand this year for Sunday School with the addition of the much needed Young Person class for students who have progressed beyond the youth, and are looking for more exciting learning. This group will meet on their own, and also join the adult

## SUMMER HEALTH TIPS.

### HEAT-HYDRATION- HEAT STROKE- SUN POISONING:

**Heat exhaustion** results in nausea, vomiting, fatigue, weakness, headaches, muscle cramps, dizziness. **Heat stroke** occurs when the body's temperature gets too high, the person quits sweating, red/flushed dry skin, confused, agitated. Death occurs when breathing stops and heart stops.

How to treat if you suspect someone with heat exhaustion: Have them lay down, elevate their feet, turn fan on them on low to help cool them down, give water or sports drink to rehydrate, apply cool (not ice cold) compress on forehead, armpits.

**Sun Poisoning:** This is a case of severe sunburn that results in blistering, chills, headache, hot skin, red inflamed skin that is painful and tingling, thirst with feeling like you can't get enough to drink-dehydration.

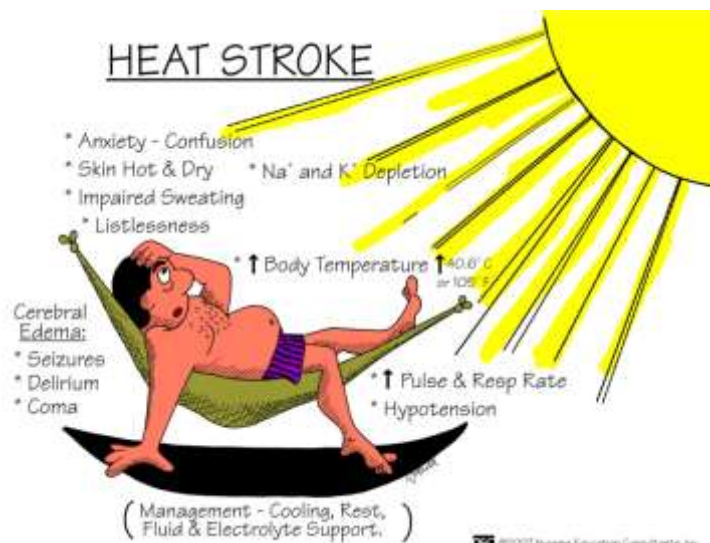

### How to treat sun poisoning:

Get out of the sun and stay out of the sun. If you must go out, wear a long sleeve cool cotton shirt to protect your skin from further damage. Drink water or sports drinks to get and stay hydrated. Apply an aloe spray to cool the burn, take Tylenol for the pain, take a cool (not cold) shower and apply a cool compress for added comfort.

*Enjoy your summer!!!*

***Please keep in mind that certain medications will cause you to sunburn very quickly and severely. Read the labels or ask your pharmacist/physician.***

**Let us pray:**

*Dear Father:*

*We pray that you'll be with us as we travel and enjoy the summer activities. Please guide us and protect us and remind us to always give thanks to you for all the wonderful blessings you have bestowed upon each and every one of us. We continue to pray that we walk with God in whatever we do and wherever we go.*

*In Jesus name we pray, Amen*

Class once a month to enjoy a deeper relationship with the study between our youth and adult learning. CONFIRMATION CLASS will begin again in the fall and those interested in joining MUST speak with me before the end of August. Our dates will be chosen before Sunday School begins. All youth who are nearing 7<sup>th</sup> grade may join, however, in consultation with me there is opportunity for learning at all ages (even if you've missed the entry to confirmation before).

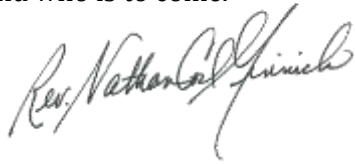

Please make sure you have given the office your EMAIL address. Due to postal service issues, our newsletter is becoming difficult and expensive to mail. Don't worry...if you don't have email we'll still have printed newsletters ready for your to pick up at church, or mail to those who live at a distance. EMAIL will ensure immediate delivery and a much reduced cost for the church.

Now, as we enter the time of the fall when vacations end, and schedules increase, continue to keep Salem and all our people in your prayers. Use the restful time of summer to get ready to deepen your commitment to the Lord. Keep in mind the Health Ministry program which provides, bulletins and soon recordings of our service to those who cannot be present, along with medical advocacy, meals, rides and more. This ministry is able to support our members in so many ways beyond a visit with communion, and a wonderful addition to our support of one another.

**Alleluia, alleluia.**

Glory to the Father, the Son, and the Holy Spirit;  
to God who is, who was, and who is to come.

**Alleluia, alleluia.**

**COUNCIL  
MEETING  
DATES:  
August 18  
Sept. 15**

**SPOTLIGHT ON MINISTRY** The council has decided to honor and spotlight a ministry of the church each newsletter to thank those who work, and to inform the congregation of their work. "The harvest is plentiful, but the workers are few" said the Lord (Matthew 9). Each ministry of the church consists of a smaller number than the whole of the congregation, but each in their way is tasked with evangelism, prayer, and the care of others.

**PROPERTY:** The committee is tasked with the maintenance and upkeep of all church properties. Over the years the committee has monitored our long-range plan and accomplished nearly everything we had hoped to complete. **How does PROPERTY raise funds?** Only through the offering envelopes marked Building Fund! This fund is CRUCIAL to the maintenance and upkeep of the church. Beyond the improvements which have been funded by various gifts and programs, the building fund and the property committee accomplishes small projects all the time. **Who can get involved?** ANYONE! No matter what you have to contribute there is something that you can provide. In addition to faithful contribution to the building fund, we need even more so the hours and care only members can provide for this house of God. Many of you help keep the flower beds clean and beautiful, and many help with cleaning, but there is so much more we can do together (and then less we need to pay others to accomplish). Right now, through the rest of the summer and early fall, we MUST continue to scape, prime, and paint the white trim around the church. Please consider helping out...on your own time, or in groups! MOST IMPORTANTLY, if you notice something that needs done, and you have the skills...DO IT. You know what it takes to maintain your home. These old historic buildings take so much more love and care! Help keep them in pristine condition. **Who to contact to learn more?** Scott Deitrich or Pr. Nathan

St. Nathanael, is St. Bartholomew. He was one of the apostles. His name means 'son of Tolomai'. Scholars believe that he is the man from Cana that Jesus said was incapable of deceit. He preached in India and Greater Armenia, where he was flayed and beheaded by King Astyages. His feast day is on August 24.

O Jesus, Saint Bartholomew's greatest desire was to know the truth. When first informed about You, his initial reaction was, "How can anything good come from Nazareth?" But as soon as he met You, he wanted to become one of Your disciples. You said of him, "Here is a man in whom there is no deception." I ask him to pray against the deceptions that are influencing me and the people I know. Help us to experience Your affirmation when we are honest, give us courage to resist lying as a means of self-protection, and inspire our minds to recognize the truth when we hear it. Saint Bartholomew, pray for us. Amen.

At least one lamp is to be kept burning day and night before the tabernacle in which the Blessed Sacrament is kept.

The Sanctuary Lamp, sponsored by you in memory of those in blessed rest, indicates the real presence of our Lord in this place!
