From the desk of Pastor Nathan:

Dear friends, we have enjoyed the brilliance of the Christmas Star and I pray that you have seen the Incarnate Jesus who came so that you might live abundantly. Our celebration of Christmas was full of joy and excitement this year and so many worshippers gathered here for Christmass Eve and Morning! So quickly, however, our calendar changes and time moves forward. Now, on the very edge of Lent, we adjust our lens and prepare to meet the Lord in more ways and for all the same reasons. We need forgiveness and grace, for each day of our lives, and in every situation. The same Lord Jesus, incarnate as a child, preaches, teaches, and heals in so many ways, and in miraculous beauty He suffers, dies, and *in that same flesh*, rises again from the tomb! In all these ways Jesus offers the same forgiveness for each season of life. So precious then is our access to that very flesh and blood at His Holy Supper! When we begin to make real in our lives the understanding of this true body and blood, we begin to recognize that real presence in new ways. We're no longer separated from the Jesus who walked upon the Sea of Galilee, or the Jesus who walked the difficult pathway to the cross of Calvary. That very same flesh is present with us, among us, and when we receive the Blessed Sacrament, within us! We have been studying the depth of this experience known as the Mass in our adult education and the learning and conversation is extraordinary! Join us after church during the education hour and deepen your understanding of our liturgical practice.

Now, while you read this I ask for you to pray for me, both as your pastor and as I travel. Guarding the fragile souls of those in distress, praying for and anointing the sick, burying the dead, baptizing and confirming those new to the faith, preaching, teaching, and presiding at the Eucharist all describe what a pastor does. Yet it is the work of us all as a congregation. I'm so happy to have immeasurable assistance here to make sure the work of this congregation is effective. However, I still need your prayers, along with those of the Saints of old, the voices of those who pray do not go unheard. Our staff here is able and willing to help in all situations! In my absence Ken, Chris, and Sharyn are available to make sure our congregational needs are met. Please keep them informed of hospital stays and other needs so that the appropriate response can be made.

As for travel, pray for me and the 42 pilgrim ministers who will be experiencing the Holy Land for the first time! It is such an honor to be part of the leadership of the Knights Templar Holy Land Pilgrimage, and this 3rd pilgrimage of mine is sure to be just as exciting as the first. I will remember you as I walk where Jesus walked! Thank you to Ken who will preach and lead a service of the Word, and for The Rev. Patrick Rooney, Senior of the STS who will lead Mass. ASH WEDNESDAY, **March 1st**

Blood Pressure Screenings continue during Fellowship each month, get your blood pressure checked!

Health Ministry Team volunteer assistance continues to provide our parishioners with rides to appointments, delivery of meals upon returning home from a hospital stay, and visitations. If you know of a fellow parishioner in need of this service, please let a team member know.

Hats, gloves, shoes, underclothing and more were collected for the children at the Upper Dauphin Schools. *Thank you to everyone that donated.* These items were delivered to the schools December 19th before the Christmas break. The guidance counselors distributed these items to children in need.

The **CPR class** planned for this year is cancelled, as there is not enough interest. Unless Sharyn receives at least ten people committed to CPR training, this will be tabled until next year. Next year, those who are already certified, will be re-certified.

Our **Health Ministry display** has many interesting articles and health information available. Please feel free to take anything that interests you. A small donation is suggested, but NOT required. We will add additional information as it becomes available. If there is something of interest to you, please let us know.

We have entered the winter months with **illnesses in the air**. Remember when you sneeze to NOT sneeze into your hand but rather sneeze into your elbow/arm. By sneezing in this manner, you are preventing the spread of germs from your hand to the person or persons you then touch. If you do accidentally sneeze into your hand, use hand sanitizer to cut down on germs or wash your hands with soap. We all need to take part in preventing the spread of virus and bacterial infections.

HEALTHY MINUTE/SAFETY MINUTE

When is it time to seek medical care?

Do I have a cold/virus or something more like a bacterial infection? The first signs of a **VIRUS**: achiness, coughing, running nose, congestion, no fever, clear or yellow tinged mucous.

BACTERIAL: same symptoms but also with: fever, yellowish-greenish mucous, congestion to the point of getting short of breath or not able to get comfortable when laying down to sleep. **Tip 1**: look at your nail beds, when you push down on your nail bed, if it springs back to the same color within 3 seconds, you're getting enough oxygen and you're hydrated. However, if you look at your nailbeds and they are bluish/dusky or not springing back in 3 seconds, you need medical care. **Tip 2**: Consider your eyes; (via mirror) pull down your lower eyelid. If it's nice and pink, your hydrated, good job! However, if you pull down your lower eyelid and it's white you are *dehydrated* and need to get some fluids in you. Good hydration when not feeling well consists of Gatorades which add fluid and flavor to help you. If you have a queasy stomach, drink ginger ale, the ginger will help to settle your stomach. Try some hot tea with honey, which will help with your stomach and congestion.

Safety Minute: We are in the season when people try many alternatives to try and stay warm during the winter months. As a result, fires occur which can be devastating and cause the loss of life. With the use of **SMOKE DETECTORS** in our homes, we can significantly eliminate the loss of life. The replacement of batteries is necessary to have a functioning alarm and this can be quite trying for some people.

Our Health Ministry has obtained smoke detectors.

If you know someone that needs a smoke detector, *please take one!* If you know of someone that needs the batteries changed and is unable to change them, please let a team member know, as we have people in the congregation *willing* to provide this assistance.

Your parish nurse is available for additional questions or concerns.

Health Ministry cont'd...

February is Heart Health Awareness: Please support this worthy cause as statistics show that "heart disease and stroke cause 1 in 3 deaths among women each year; killing approximately one woman every 80 seconds. " If there's something you would like to see the health ministry do, please speak to a member or join us at a meeting. Our next meeting dates are:

February 20th and March 20th 7 PM

Biggest Loser Contest

Due to the interest by many to find incentives to losing weight, we are going to have a **CONTEST!** The person with the highest percentage weight loss will be the winner of a **\$100.00 gift certificate** to the shopping mall. This challenge begins at Lent and ends at Easter. The cost is \$3.00 per person to participate. Each person will need to weigh in with Sharyn on a scale at the beginning and at the end. Begins on Sunday, March 5th with weigh in and ends on Sunday, April 9th with weigh in.

Let us pray: Lord Jesus, open our eyes to your presence in our everyday life and activities by your loving guidance and ever present giving.

Through your word, sacraments, and spirit, bless our lives, so that things that seem mundane become a foretaste of blessedness in your eternal presence. Amen

WNALC

of Salem Lutheran Church

Calling all Salem Women! All women are *automatically* a member of the WNALC (Women of the North American Lutheran Church) simply by being a Salem Church member! The group meets on the **THIRD SUNDAY** of each month from 6-7 pm in the fellowship hall. During this time we hold discussions, enjoy various presentations, plan upcoming events and outreach projects, and enjoy a time of fellowship. Come out and join us!

*While having our **Annual Cookie Exchange** – a "Snowflake Party" broke out! Thanks to Kasey for sharing her find on Pinterest!! We learned how to make **BIG** snowflakes w/ 6 sheets of paper! You never know what's going to happen when the "church girls" get together! We had a wonderful time, full of fellowship, cookies, hors d'oeuvres, snowflakes and lots of laughs!*

Our Talents

Our brother, **Harold Daub**, recently had an article published in the **Pennsylvania Game News** titled *"Recycled Retriever"* about a dog that he rescued and trained to hunt. Her name is Katniss. When talking with Harold, he explained that the Game News encourages ANYONE to submit an article for consideration.

His niece, Heidi, encouraged Harold to write articles several years ago when he penned a humorous "article" about his brother, Barry. He said; "The more I wrote, the more I enjoyed writing."

His first article that was published was *"Hunter & Pap's Best Day"* featuring Dennis Paul and his grandson Hunter Lentz hunting turkeys.

Last Spring Harold wrote an article; *"Smoked Turkey"* highlighting a turkey hunting experience he enjoyed on local State Game Lands just 3 days after a prescribed burn was conducted in the area.

Harold currently writes outdoor columns for the Pottsville Republican, the Sentinel, and has been published in the National Wild Turkey Federation and the PA Federation of Sportsman's Clubs periodicals.

He is a member of the Pennsylvania Outdoor Writers Association.

Young Wrestler's and brothers – Wyatt & Waylon Troutman

"Wyatt is in his 4th year of wrestling at Upper Dauphin Elementary. He is growing and learning so much every year. Wyatt is so proud to show his little brother new moves and give him pep talks before the matches. He is not only a passionate wrestler but a great big brother!"

*Waylon is not your average preschooler. He is quite the avid WWE wrestling fan! This year, he also began his wrestling career. He is in his first year with the Upper Dauphin Elementary Wrestling Team. While he may not win every match, he is having a great year and learning a lot. His "never give up" attitude and perseverance is commendable. At one of his tournaments, he had 4 matches and 4 PINS!!! He knows the saying and even reminds me, **"you don't lose, you learn!"** Waylon may not always get his arm raised at the end of every match, but he always walks off the mat with his head raised high. This little man is full of determination and confidence."*

COMMUNITY OUTREACH & INFORMATION

Lifeline Pregnancy Care Center needs your help!

We are setting up a Pack -N- Pray display in your church to collect items our clients desperately need like diapers, wipes, baby clothing, formula, etc.

These items are given to new parents enrolled in our *"Earn While You Learn"* program. The clients take classes on parenting, managing finances, and even Bible studies. In doing so, they earn "Baby Bucks" to buy the items you are donating to Lifeline.

In addition to your donated items, we are asking you to pray for Lifeline. Pray for our staff and volunteers. Pray for our finances, and most importantly, pray for these families that are coming to us for help!

If you would like more information about all that Lifeline has to offer, please visit our website at www.lifeline-pcc.org. You can also give us a call at 717-692-2183 and set up an appointment to visit our center.

Our offices are located at 403 Union St. in Millersburg.

Thank you!

Sincerely in Christ, Curtis Louder, Executive Director

Salem will have the "Pack & Pray" at the church during the month of **MARCH**.

Continued from the desk of Pr. Nathan:

I am traveling from Israel to California to represent Boston University School of Theology at the Religious Education Congress sponsored by the Archdiocese of Los Angeles. It is an honor to take this extra 'leg' of travel to be among around 40,000 people gathered for religious education.

When I return I hope to see many of you join the Susquehanna Chapter of the Society of the Holy Trinity at Salem for a one day retreat. MONDAY, FEB 27th beginning at 9:00 am our chapter will gather here at Salem. We will have Mass together at 9:30, some presentations, prayer, lunch, and fellowship. Anyone is welcome!

Also, the pastors of our area have met and decided on a plan for community worship as part of our Elizabethtown Bicentennial Celebration. Please mark your calendars for Sunday, August 13th as we will all gather at the High School for an outdoor service with our sisters and brothers of the surrounding area. The day will also include a free community lunch, and religious musical entertainment by various groups from our churches and Men in Harmony.

Finally, I must say thank you to so many of you who sent me an abundance of Christmas and Birthday cards and gifts. Your love and concern is greatly appreciated. Also, your council (on your behalf) celebrated Christmas with fellowship and gifts (hilarious as they may have been)! Your love and support, for me and for each other, has been a significant factor in our continued growth and deepening faith and commitment. It is an immeasurable joy to see this place full on a Sunday morning.

Pray for peace within the walls of Jerusalem, not just while I am on this journey, but each day so that we will look with confidence for the day when we can be glad and enter the house of the Lord. Use Psalm 122 for your prayer.
