From the desk of Father Nathan

From a quiet spot in the Dominican Republic, I write with an enormous sense of gratitude for the people of our great parish. In my absence, right now there are members in need being visited by our parish nurse. There is planning taking place for our Summer/Fall educational programs. Preparations are being made for the September celebration of our first ordained Deacon. Brainstorming is ongoing for so many family social activities on the horizon. "Margie's Meals" are being distributed faster than we can keep them stocked. Overall, our parish is thriving, and it is surely the work of the Holy Spirit, working differently through your various talents, for the solitary purpose of building up the people here to share the Gospel in any way possible. Thank you all for every part you play, no matter how small that part may seem.

Now...for those of you who are still looking for that perfect spot to contribute in some way to this growth and vitality...just look around! If you have a talent, hobby, interest that you enjoy at home, I'm sure there's value in that activity for the greater good of the parish and the local community. But just to get the thoughts flowing, here are a few things that can be done anytime you feel like working on the Lord's house! Sometimes, working quietly here around the church you will find a most rewarding time of spiritual renewal and accomplishment at the same time.

* Dressing up the Flower Beds * cleaning something that could just use a little "TLC" * lending a hand with the children during Sunday School * visiting a fellow member just to get to know each other better * singing in the choir * volunteering at the Sunday Mass * dropping in on a committee meeting just to be part of the discussion * and just about anything else you can think of doing!

Look here, our adult VBS (which has been so successful in the past) is taking on the subject of PARABLES! This *short* program will only be for VBS, not a long commitment. Join us for dinner, discussion, and fun with stories, Jesus, and our faith in the Kingdom of God. I think you'll have so much fun with this you'll be writing your own parables to describe the mysteries of faith just like our Savior did for so many crowds!

July is Fireworks Safety Awareness Month

Fireworks are often used during a time of celebrations such as July 4th, ballgames, weddings, and parades. But do you know what the temperature is of those Sparklers we give to the children to hold and twirl around?

Did you know?

Water Boils at 212° F
Cake bakes at 350° F
Wood burns at 575° F
Glass melts at 900° F

Sparklers heat at a minimum of 1200° F

Sparklers alone account for one-quarter of emergency room fireworks injuries. These pretty little sparklers account for burns to eyes, face, ears, hands, fingers, arms, and legs.

Bottle Rockets are lit by a fuse and teens have been known to have bottle rocket wars. They lite the fuse and then toss them at one another. Needless to say, the rockets go flying every direction causing multiple injuries.

Fireworks are synonymous to summer especially in July. The U.S. Consumer Product Safety Commission in 2016 reported 11,100 people were badly injured from fireworks related incidents. Fireworks are fun but use common sense and **SAFETY!!** Young children should never handle fireworks; teens should be supervised by a responsible non-impaired adult. Anyone using fireworks should wear protective eyewear. **Never light fireworks indoors!** Only use fireworks a significant distance from other people and do not try and re-lite a defective firework. Keep a bucket of water nearby to extinguish fireworks that don't go off or in case of a fire.

Let the experts handle to big fireworks and you
kick back, relax and watch the show!!

If there's something that you would like to see happen in the Health Ministry, please speak to a member or join us at a meeting.

Blood Pressure screenings are available to everyone during Fellowship each month.

August is National Immunization Awareness Month

Vaccinations protect the person from getting diseases and then spreading them onto their loved ones. Many people are *immuno-compromised* due to illnesses. Getting immunizations protects you and the other person whose body can't fight off infections and diseases without becoming deathly ill.

Immunizations are not just for our children. Adults need to receive immunizations to protect their health. Everyone should have their vaccination needs assessed by their physician. Depending on your health, it can be determined which additional vaccinations are needed and when.

Every person should get the TDAP vaccine (Tetanus, Diphtheria, and Pertussis or Whooping Cough) around the

age of 16 and then repeat this vaccine every 10 years. If you're not sure when you had yours the last time get one NOW!! Both diphtheria and whooping cough are spread from person to person. Tetanus enters the body through cuts, scratches or wounds and can lead to serious illness, hospitalization and death.

Adults 60 years and older are recommended to receive the Shingles vaccine, especially if you have a family history for shingles. The pneumococcal vaccine is recommended for persons over age 65, **BUT here's the catch!...** If you have a history of Asthma, Chronic Obstructive Pulmonary Disease, history of repeat bronchitis or pneumonia, regardless of your age the Centers for Disease Control recommends you receive the pneumococcal vaccine. I've had mine due to Asthma and I'm NOT 60!!

When it comes to our children, make sure they are up to date on all their vaccinations. State laws establish vaccination requirements for school children. These vaccination laws often apply not only to children attending public schools but also to those attending private schools and day care facilities. Pennsylvania Laws do NOT allow exemption from vaccinations for children attending public, private schools or daycares.

If you're not sure if you're up to date on vaccinations, speak to your primary care physician.

Yoga Classes

Yoga classes continue for July and August and will be the 2nd and 4th Thursday. When September comes, we will resume classes every Thursday evening. During the summer we will have yoga classes outside. Join us for a class and try it out!

If you decide yoga is for you, the cost is \$5.00 per class.

Join us!!

EVERYONE IS WELCOME!

All of us have so much to be thankful for each day. When we awake to a new day, when a friend is in touch with us, for the food we eat, for the water that flows into our homes, for flowers, birds, trees, our health, for doctors close by who care for us, the list goes on and on.

Thanking God should be part of our daily lives. Take time each day to talk to God in prayer, be still, he listens and knows your thoughts, worries and concerns and will guide you with every step.

Let us pray:

Thank you for the summer, the increased daylight, the warmth, and the beauty all around us as we enjoy the outdoors. Draw me closer to you this summer and teach me to pray-no matter where I am or what I am doing. Warm my soul with the awareness of your presence, and light my path with your word. In Jesus name we pray, Amen.

Coming in September!!!

Michael Paul receives the "Red Shirt Service" award at Boyers Mkt. in Lykens, PA!

Michael offered his Red Shirt Svc. to a gentleman having some difficulties getting around at Boyers. The gentleman was on oxygen and it was hot outside. Michael suggested that he rest on the bench inside the store where it is cool and offered to do the gentleman's grocery shopping for him! Boyer's Food Mkt. recognized this Red Shirt Svc. act of kindness (that they promote on a daily basis) and rewarded Michael with a cash prize, gift cards, VIP parking for the month of July and recognition at the store! A job well done, Michael!

Congratulations and continue spreading God's love.

Meeting Dates:

August 25th

(Ladies Victorian Tea)

The Ladies of Salem are planning a Victorian Tea and Art Show to take place on August 25th from 2 to 4 PM. The theme was inspired by last year's bicentennial and the period dressing on Salem's float. One lady in a dress in particular got the attention of a group of artists from the Harrisburg area and decided to paint her.

The results will be the basis for this show. Members and friends are also encouraged to exhibit paintings and photographs (of a subject relating to the bicentennial or art of a religious nature). All art to be exhibited must be framed and wired ready for hanging and your name, address, and phone number securely attached to your art piece.

Art work can be dropped off in the church Fellowship Hall in the shawl room.

Many THANKS to Linda Deibler and Jan Ayers for the beautiful addition to the entrance of our Fellowship Hall.

Calling all Salem Women!

All women are *automatically* a member of the WNALC (Women of the North American Lutheran Church) simply by being a Salem Church member!

The group meets on the **THIRD SUNDAY** of each month @ 6:30 pm in the fellowship hall. During this time we hold discussions, enjoy various presentations, plan upcoming events and outreach projects, and enjoy a time of fellowship.

Come out and join us!

If you have a need or an idea for a program or event that you would like to see at Salem or just want to come and check it out, please join us!

Feel free to bring a small snack to share!

Wobble Trap Shoot at Martz's Game Farm

The youth made turkey calls and everyone enjoyed a picnic afterwards. Thank you, Tracy Minnich for grilling for us!

A tremendous thank you to all who supported Salem's Parish Life and SOFA concession and YETI fundraiser during the Elizabethtown Yard Sale Days. Many hours of preparation were put into set-up, picking up supplies, working shifts, cleaning up and tearing everything down. Your dedication is so appreciated. We had a lot of fun and raised funds which will permit both groups (SOFA & WNALC) the ability to do the many things which benefit the broader Elizabethtown community and parish.

A special thank you to our patrons for stopping by, having a bite to eat, taking a tour of our sanctuary, or just to say hello!

Coming in just a few weeks is a unique opportunity to spend time with an NALC official. On Sunday, July 15th The Rev. Dr. David Wendel will be with us. Many of you have read his Lenten/Advent devotionals from the NALC office. He will preach at the 9:00 am Mass, and remain with us for a Fellowship Brunch. Bring your questions and interest in the larger representation of the church and converse with the Assistant to the Bishop!

Just when you thought it could not get any more exciting for Salem, prepare for a special visit from The Rev. John Bradosky, Bishop of the NALC as we celebrate a diaconal ordination. September 9th will be the date of this afternoon service. Please make sure you mark the date, and look for a formal invitation to come. Ken is more than happy to continue sharing with all of you his studies, and I encourage you to be present and support this expression of ministry in the church. This important component of the ministry (Bishop, Priest/Pastor, Deacon) is vital to parishioners and the general ministry of the congregation. We are exceptionally thankful that we can grow our ministry in so many ways, here at Salem, and this opportunity is one that truly expands our work for the people we serve (among us and in the greater community).

Finally, I ask that you would consider adding your effort to our ministry. Sharing your faith in Jesus Christ is as vital to the work we do as any minister, staff, or leader. What did it take for you to make the commitment to come to Salem, and do so regularly? I would imagine there are many more like you, and they may just be your closest friends and neighbors. What if someone you love is just waiting for you to ask them to join you at church? What if someone wonders why you can survive in the face of struggle by faith? What if someone is watching you for an example of the Christian Faith? Don't let someone down, just because you don't think you can do the job of evangelism! It is quite simple. We are all *sinners*, who completely rely on the mercy of God shown to us in His +Son Jesus Christ. We may all sin differently, but there is nothing that cannot be defeated by love! Yes, it is that simple. You are loved, despite your perceived shortcomings. And, by the Body and Blood of Jesus, you are being made whole, the start of a glorious resurrection, which will be complete when you hear his voice call you by name, even from the grave!
