In celebration of
Jesus' resurrection

From the desk of Father Nathan

Grace and Peace be unto you from God our Father, and our Lord Jesus Christ. We are nearing the chief celebration of the church, the very central act of God in our salvation, the raising of Jesus from the dead. The conquering of death destroyed sin, death, and the power of Satan over us all. No more do we need to fear the grave...any more than we fear our bed in sleep, for if we have been united with Him in a death like his, we shall certainly be united with Him in a resurrection like His!

This central tenant of our faith rests on the foundation of the mystery of what happened in that Jerusalem tomb on Holy Saturday. In all that you do, say, and believe, do you profess Christ crucified, died, AND RISEN? I ask you this question with great confidence that through the weekly celebration of the Holy Supper, you have been drawn closer to the Savior by his very Body and Blood, instituted for us at the Last Supper as an everlasting command, promise, and physical presence. The immeasurable worth of this mystery is to be held in the highest veneration. The most glorious miracle is physically present with us always. The 'how' behind the true Body and true Blood, under the and through bread and wine remains the mystery of our faith. Yet, it is faith itself which brings us to the fullest understanding of this mystery. By this faith we have been saved, each and every time we offer nothing more than a repentant heart and believe. The gift of true body and true blood is the real presence of Jesus Christ our Lord, present in the fullness of his incarnate flesh, the same flesh that was beaten, crucified, and took up life and walked out of the grave!

Now, how did you do during Lent? Did you challenge yourself by the LENTEN APPEAL? Did you do well? Did these simple steps make a difference in your life? Read them again, just maybe they have become a habit.

- PRAY Daily-simply repeat the prayer in your weekly bulletin, and remember BY NAME the prayer list names
- COME-to the worship of the Lord. Can you add just one Sunday to your current schedule? We can all engage this level. If you never miss a Sunday, add an evening service (which is a different experience all together) If you are present only once in a while, you miss so much of the Holy Scripture and its story! One more is easy!

Come Worship With Us!

If there's something that you would like to see happen in the Health Ministry, please speak to a member or join us at a meeting.

Next Meeting:
3rd Tues. of the month:
March 20 and April 17, 2018 at 7 PM

Blood Pressure screenings are available to everyone during Fellowship each month.

March is Colorectal Awareness Month

Colorectal cancer is the third most common cancer in the United States and the second leading cause of death from cancer. If everyone ages 50 and older were screened regularly, 6 out of 10 deaths from colorectal cancer could be prevented. We all complain we don't have time; we don't want to do that because it's disgusting to think about. Let me give you this scenario. You're over the age of 50, some days you poop easily, or it may go several days till you poop and it's hard as a rock and you're straining and struggling. Your thought is, well I'm just getting older maybe some prunes or fiber will help, but it doesn't. So, you continue to struggle until you end up with severe abdominal pain and in the emergency room. Long story short, you end up having the colonoscopy emergently only to discover you have advanced colon cancer which could have been detected much earlier when the symptoms began.

Get your colonoscopy if over the age of 50!!!

Biggest Loser contest has begun! To participate in this contest requires a \$3.00 donation which goes towards the **prize of \$100.00 gift certificate to the shopping mall/store of your choice!** To win the contest, the person with the highest percentage of weight loss will be deemed the winner.

Final weigh in will be Easter Sunday, April 1st.

April is World Health Day

World Health Day is a global health awareness day celebrated every year on April 7 under the sponsorship of the World Health Organization. WHO is an agency of the United Nations that focuses on the public health of the world. Through the efforts of WHO we have seen the eradication of small pox and efforts now turned to eradicate tuberculosis and HIV/AIDS. Everyone needs to be concerned about the health of themselves and their community. Know your environment - know your neighbor. God commands us to care for one another and by knowing the area and people around you; you can take a stand in promoting the health and wellbeing of your community. An example is the standing water in a bucket or old tire. This is an ideal breeding ground for mosquitos who spread disease by consuming the blood of its hosts and moving from victim to victim spreading it as it goes. Take responsibility for your health and those around you by dumping that water out.

Yoga class
continues every Thursday evening from 7-8 pm.
\$5.00 per class.
What better way to gain flexibility, help with balance and relax at the end of the day??

HEALTH MINISTRY CONT'D.

Guest Speakers

April 22nd, David Farner will be speaking on Special Olympics events in the area, his role in Special Olympics, need for volunteers and funding to keep programs running at no cost to participants.

May, Cindy Stauffer, Licensed Psychologist will return to evaluate the group on how we've done with task assigned. She will provide insight and feedback to us.

Both presentations will be held during Sunday school time with *refreshments*.

CPR class is in the process of being scheduled for April. There were 10 participants for a class in 2016, which means your card is about to expire. To schedule this class, a minimum of 10 participants is required. The cost of the class is \$30.00. CPR class recertification will be held on a Saturday from 9 am-12 noon in the church basement. **Contact Sharyn Farner by March 17th so a class can be scheduled and confirmed before your expiration of April 2018.**

Central PA Blood Bank

The blood bank strives to have an inventory level of seven days to meet the average daily needs of people in central Pennsylvania. For various reasons, including the unpredictable demands from trauma incidents, the blood inventory fluctuates hourly. Residents in our area are benefactors to receiving first rate health care systems that rely on adequate blood supply. With the current low blood supply this will impact patient care and the potential for life survival. We will have a blood drive:

Saturday, May 12th from 9 am-2 pm

There will be a sign-up sheet passed around on the upcoming Sunday's. Donate blood and receive a free flower for your Mother on Mother's Day, Sunday, May 13th. Snacks, and drinks will be provided for those that donate blood. Do you know that by donating blood to the Central Pa. Blood Bank, your blood stays in the Central Pennsylvania area to treat your neighbors, friends, and family?

Health Ministry Team Volunteers provide rides to appointments, visits, meals when returning home from the hospital, etc. We are looking for additional volunteers. This group takes turns providing these services to parishioners and they pick the days they can help. If you feel you would be able to help provide these services to our church family, please see Sharyn or Pr. Nate.

Let us pray:

Dear Father:

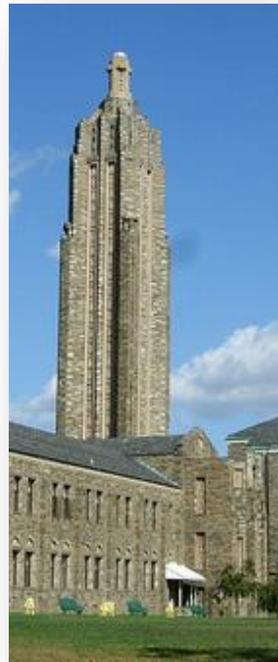

Let us pray for the health and healing of those persons around us. May God heal any sickness in us and those around us whether it be physical, mental, or spiritual. May he give good health, energy, and joy today, so we can carry on his good works and deeds. In Jesus Name we pray, Amen

On a bitterly cold but beautifully clear February day, the women of Salem Lutheran set out for the Annual Women's Retreat. This was my first experience attending the retreat, so I am honored that I was asked to provide my thoughts for the newsletter.

The retreat started for many of us with dinner at Penns Tavern. Once seated and following our prayer of thanks, we were promptly served delicious meals. We enjoyed lively conversation, and it was clear that the group was excited about the time together.

Upon our arrival at the Basilica complex, we were greeted by Father Nathan. He spent many hours there prior to our arrival assuring that all was in order for us to have a successful retreat. After settling into our simple and spotlessly clean rooms, we made our way to the Basilica for Vespers. The Basilica is a beautiful tribute to God and a wonderful place for worship. At the end of Vespers, Father Nathan talked of the Christian Holy Day, Candlemas, celebrated on February 2nd. He presented us with candles and melting wax scented with Frankincense and Myrrh for us to use in our homes as a way to remember the Nativity of our Lord and the Purification of Mary.

After evening Vespers we began our study of Queen Ester and how she was able to save her people living in Persia. As always, Father Nathan presented us with some thought provoking questions... *Who was Ester? What kind of a woman was she really? Why did some theologians and church leaders think The Book of Ester may not belong in the Bible as God is never mentioned? Who wrote the book of Ester? What was happening to the Jewish people and their Temple at the time Ester was Queen? How did the history of Persia enter into the story of Ester? How does she provide us with guidance in our relationships with others through the Truth?* During this first session, at our late night fellowship time, at breakfast, and during our second day session on Ester, we had thoughtful discussion about what our answers might be to these questions.

Outside of discussion on Queen Ester, we spent many hours in the Basilica. In addition to Vespers together we had Compline, Matins, time for silence and prayer and celebrated Mass. We were amazed that the readings each day were so appropriate for the study of this influential woman of the Bible by the women of our church. We were blessed to have Father Nathan leading us, Kasey Campbell providing beautiful vocals, Vicki Yates reading the Liturgies, and Dan Umholtz playing both the piano and organ. Each enhanced our experience.

We left determined to return next year but taking even a few hours longer to be together. We found our discussion on Ester so interesting that we talked about taking a few weeks in Sunday school to share what we uncovered in our journey through the Book of Ester. Many of us were inspired to read *"Far More Precious than Jewels"*, a book referenced by Father Nathan during our time together. Clearly, our time together was rewarding.

Many thanks to Father Nathan and all who planned, contributed, and participated. I truly look forward to our 2019 Retreat!!

Cont'd from pg. 1

- **WORK**-In all the things that need done for your home to stay safe, clean, repaired...the same is needed here.
- **GIVE**-Too often I am disheartened when I hear of churches who speak of offering all the time...you don't often hear that mentioned here, but let's be honest...without giving increases (even just a small amount) the ministry struggles to grow. Let's show this world that we intend to grow beyond imagination, help fund some ministry of Salem with your treasure, therein will be where your heart grows too!
- **HELP** – Others need us more than we know. If Salem is helping a need that is close to your heart, get in, get involved. If we are not, let's get started! You know of needs, more often much quicker than the church.
- **WORSHIP** – There is so much more to worship than just being here! There are no barriers for your active participation except the ones you see. Lectors, communion assistants, choir members, prayer readers, greeters, children's support, learning, visitation, transportation, acolytes, etc. Ever part of your being can worship God.

Appeal: means to make a serious or urgent request. I do appeal to you all. Urgently, because your faith is so vitally important to your salvation, your confidence in the face of difficulty, your comfort in the face of pain, your hope in the face of death. Seriously, because I do firmly believe that there is nothing more serious than your faith. In life, all else can wait, and even if it never comes and you spend your days longing for something that never becomes reality, Faith is *seriously* everything you could ever want.

In the blessed assurance of life everlasting, through the merits of Christ Jesus alone, and because of His resurrection from the grave, I pray that you will find forgiveness of sins and hope eternal.

HAPPY EASTER!
